

PHILSCI ARCHIVE SPSP 2011

Dear Speaker,

Anyone on the SPSP2011 program can post their preprints. The header for the SPSP2011 conference is up and customized posting instructions are available at: A section has been set up at PhilSci-Archive.pitt.edu

<http://Philsci-Archive.pitt.edu>

for you to post preprints of your talks at the upcoming conference, SPSP2011. The section will remain open after the conference so you can still post preprints then. The section in which papers will be posted is here:

<http://philsci-archive.pitt.edu/view/confandvol/confandvol20113rdbcspspjune22242011exeteruk.html>

and instructions on how to post can be found here:

http://philsci-archive.pitt.edu/conference_instructions.html

Please note that you may only post manuscript preprints, not slides or abstracts. For copyright reasons, the archive does not accept pdf's prepared by journals.
